Dear Kent Alumnus/Alumna,

The Alumni Council is very proud to continue The Reverend Frederick H. Sill, O.H.C. Society, now in its seventh year. We see no greater way to honor our School's founder than to recognize those distinguished members of the Kent community who have embodied the spirit of Temperantia, Fiducia and Constantia and followed in Father Sill's footsteps in pursuit of excellence and service.

The Sill Society recognizes Kent alumni/ae whose personal achievement and distinguished service to mankind have brought honor and distinction to themselves and to Kent School. The 2011 Sill Society distinction was bestowed on:

Dr. John S. Meyer 1941 *
Mr. John C. Read 1965

Attached is a Nomination Form to submit the name(s) of those you would like considered this year.
