Dear Kent Alumnus/Alumna,

The Alumni Council is very proud to continue The Reverend Frederick H. Sill, O.H.C. Society, which was established in 2006 in celebration of Kent's Centennial. The Sill Society recognizes Kent alumni/ae "whose personal achievement and distinguished service to humanity bring honor and distinction to themselves and Kent School, especially in terms of how such achievement and service significantly impact and beneficially radiate to the larger community, nation or world."

We see no greater way to honor our School's founder than to recognize those distinguished members of the Kent community who have embodied the spirit of *Temperantia*, *Fiducia* and *Constantia* and have followed in Father Sill's footsteps in pursuit of excellence and service.

We invite you to nominate a fellow alumnus/a for the Sill Society, Class of 2022. Please use the Nomination Form to submit as much relevant detail about the individual as possible, including specific examples from his/her professional and volunteer work. We rely solely on the information you provide to review each candidate, so your thoroughness in presenting the candidate is imperative. If you have submitted a nomination in the past and your nominee was not selected for the Sill Society, please know that you are welcome to submit your nomination again for consideration.

Nominations will be accepted through Tuesday, November 30, 2021.

Please join us and take an active interest in recognizing our great heritage and celebrating Kent alumni/ae who have distinguished themselves and Kent through their lives and work.

Sincerely,

Scott Lister '88
Chair, Sill Society Committee

Please note: All degreed and non-degreed Alumni (one or more term of attendance) of Kent are eligible for consideration, except for those currently serving on the Board of Trustees, Alumni Council or as an employee of the School.
